

ScienceBeam's Neurofeedback and QEEG Workshop Program

Friday, October 15 th	
9:00 – 11:00	Basics of EEG signals, brainwaves, feedback, and brain mapping
11:00 – 11:30	Coffee and Tea Break
11:30 – 13:30	Diagnosis of mental disorders, assessment and treatment protocols
13:30 – 14:30	Lunch and Meeting
14:30 – 16:30	Hands-on Session: Practical guide to Neurofeedback therapy using the eWave system
17:00 – 19:00	Group visit to Taksim Square
Saturday, October 16 th	
9:00 – 10:30	EEG montages, different databases, asymmetry, coherence, absolute and relative powers, Drug effects on QEEG and brain
10:30 – 11:00	Coffee and Tea Break
11:00 – 13:00	Introduction to the Neuroguide software
13:00 – 18:00	Princess Island (Buyukada) group tour for lunch and meeting

Sunday, October 17 th	
9:00 – 11:00	Hands-on Session: EEG recording using the eWave system, and QEEG report analysis
11:00 – 11:30	Coffee and Tea Break
11:30 – 13:30	Introduction to the Event-Related Potentials (ERPs) and the QEEG researches
13:30 – 14:30	Lunch and Meeting
14:30 – 16:00	A deeper look to QEEG report analysis
16:00 – 17:30	Meeting and Free discussion
17:30 – 20:00	Sunset Cruise on Luxury Yacht Istanbul Bosphorus
